*BCBSM rates include certain federal taxes and fees established by the Affordable Care Act as well as certain State taxes and assessments. The figures are estimates and may change for future billings.

*SET SEG applies the 1.5% administrative fee to census information provided by the district for the purposes of quoting for current rates only. The 1.5% administrative fee is removed for the 12.1.2021 effective proposed renewal. In the event that the census proves to be inaccurate and actual group enrollment and participation changes by more than 10%, the districts rates will be subject to change. The rate change may occur during any billing cycle of the current term as determined by SET SEG.

*If an employee or spouse enrolls in Medicare during the plan year, rates may increase, on the effective date of enrollment, to a predetermined Medicare rate. Please contact your Account Executive or ASR for exact cost.
